## Pet Photos

All Photos must be high resolution if using a digital camera (select best setting on your camera before taking photos.) If submitting a photo already taken, please make sure it is 5" x 7" or larger and that it is a very clear photo. Grainy photos will not reproduce well enough to be included in the calendar.

My photo is included.

I will submit my photo by \_\_\_\_\_. Deadline for photo submissions is August 15, 2009.

Please contact me regarding a professional photo of my pet.
